Sinomax® USA Wins Silver in 13th annual Best in Biz Awards International

Houston, TX - October 8, 2025 – Sinomax® USA has been named the **silver winner** in **Company of the Year** in the **13th Annual Best in Biz Awards International**, the only independent global business awards program judged each year only by prominent editors and reporters from top-tier publications from around the world.

Over the past 13 years, **Best in Biz Awards** has seen nominations from the best in global business. Our press judges, hailing each year from a variety of top-tier publications and media outlets from all continents, repeatedly remark how difficult it is to select winners from among the very competitive entries each year.

Each year, Best in Biz Awards invites only editors, writers and contributors to business, consumer, financial, trade and technology publications, as well as broadcast outlets and analyst firms, to serve as judges – our judges are never just regular business professionals. Our press judges' unparalleled expertise and experience and the diversity of publications they represent make Best in Biz Awards judging panels uniquely suited to objectively determine the best of the best from among the hundreds of competitive entries, ensuring the same consistently high levels of achievement, innovation, and creativity among our winners year after year.

This year's judging panel once again included writers, editors and broadcasters from such publications as Computer Hoy (Spain), Data Breach Today (UK), HTMAG (Israel), Huffington Post, Irish Independent (Ireland), InBusiness (Cyprus and Greece), NDR (Germany), Panorama Magazine (United Arab Emirates), Small Business IT (Canada), TechRadar (UK), as well as numerous other outlets from Australia, Brazil, Canada, India, Indonesia, New Zealand, Nigeria, United Kingdom and more.

"This recognition is a moment of great pride for the entire Sinomax USA family," said Frank Chen, CEO of Sinomax® USA. "It reflects the unwavering commitment, teamwork, and professionalism of our employees. Their dedication and shared vision continue to drive Sinomax USA to new heights of excellence."
